University

2019 - 2024

B.S. in Human Physiology

## AWARDS & CERTIFICATIONS

- Web Developer

## SKILLS

- React.js
- Tailwind CSS
- HTML
- Next.js
- CSS
- JavaScript

## PROFILE

Frontend developer with solid experience in React and Tailwind CSS, building responsive, modern, and user friendly web applications. I enjoy turning ideas into real, functional products with clean code, simple structure, and strong attention to design and usability. I am comfortable working with APIs, interactive UI features, and performance focused layouts. Passionate about learning new technologies, improving my problem solving skills, and creating digital experiences that are both visually appealing and practical.

## WORK EXPERIENCE

FRONTEND DEVELOPER

**LITEINTEL BRAND**

April 2024 - Present

- Built responsive websites and web applications using React, Tailwind CSS, HTML, CSS, and JavaScript
- Converted UI designs into functional, user friendly interfaces with focus on clean layout and usability
- Developed reusable components to improve development speed and maintain consistent design across projects
- Optimized websites for mobile devices, performance, and cross browser compatibility
- Participated in testing, debugging, and maintaining live client projects
